

PX450

COLOR PRINTER

PRIMERA
TECHNOLOGY, INC.

PX450 is a compact, full-color POS printer designed for use at retail point-of-sale and other point-of-issue applications. It is ideal for printing coupons, receipts, tickets, name badges, wristbands and other types of narrow-format output. Print times are fast, producing a typical 4" x 2.5" (101mm x 63.5mm) full-color coupon in under five seconds. The built-in guillotine cutter allows forms of any length to be printed, cut and dispensed.

The printer's small size and compact footprint allows it to be installed on counters with limited space.
