

Networked Disc Publishing Made Easy.

Share Your Primera
Disc Publisher with
PTPublisher NE™

PRIMERA
TECHNOLOGY, INC.

PTPublisher NE (Network Edition) is a new software program that makes it fast and easy to share your Primera CD/DVD Disc Publisher with everyone in your office.

The software installs in just minutes and automatically detects all Primera disc publishers available on the network. An unlimited number of client licenses are included, saving you time and money when you need to add new users.

Powerful yet easy to use, PTPublisher NE takes the mystery – and the cost – out of networked disc publishing!

Networked Disc Publishing Made Easy

Just Three Steps to Publish Discs on the Network

Features

Simple yet powerful user interface – just three steps to begin burning and printing discs to any networked Primera disc publisher

Unlimited Clients – no further license fees or registrations are required

Multiple Robot Support – attach many Primera disc publishers to the network to increase capacity

Multiple Media Types – different types of media (CD/DVD/BD) can be loaded in each bin with automatic or manual disc selection

Multiple Languages – ten different languages are selectable during installation: English, Spanish, German, French, Italian, Polish, Japanese, Chinese (Simplified), Chinese (Traditional) and Korean

Full Diagnostics – clients are updated in real time with status of bin levels, ink levels and system errors

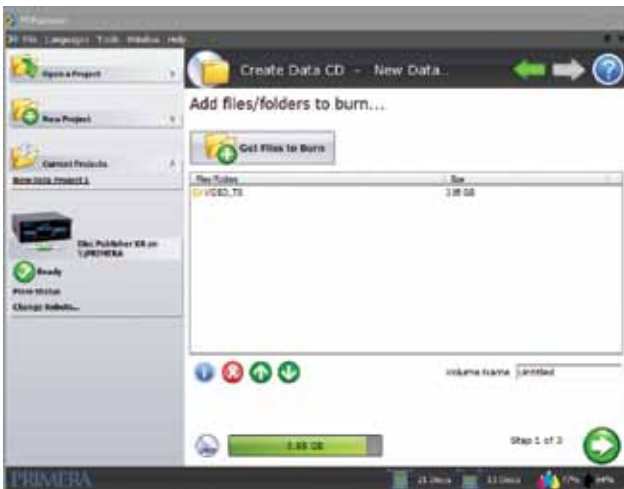

Powerful Administrator Functions – including email notification of status and errors, password assignment for clients, authorized user lists and more

Archived Jobs – users can submit jobs that remain on the server and other users can run those archived jobs without resubmitting data

Supports all Mid-Range and High-End Primera Disc Publishers – including Bravo II, BravoPro, Bravo 4051, Bravo 4101, Bravo 4102, Bravo XR and Bravo XRP (Disc Publisher II, Disc Publisher PRO, Disc Publisher 4051, Disc Publisher 4101, Disc Publisher 4102, Disc Publisher XR and Disc Publisher XRP in Europe and Scandinavia)
*Not compatible with original Bravo and Bravo SE.
